Tea Ingredients

Dehydrated Fruits & Vegetable

## How we work?

1. Contract Farming
2. Lab Testing
3. Processing
4. Packaging
5. Logistic Modeling
6. Consumer Response Management

## Services

### **Private Label & Packing:**

We offer different size and style packaging like glass bottle, stand up pouch, tea bag, tin box and paper container. We manage all the aspects of your design and packing.

### **Product Development:**

We develop the new product for you in our in-house blending, manufacturing and packaging facility. We will be your “One-Stop” solutions to develop your products from scratch.

### **Contract-Processing:**

We have the excellent manufacturing facility for the processing of bulk Raw Herbs and Spices Ingredients. We will buy raw material and process it as per your requirements.
